

# 2018 CROSS COUNTRY DUES

This year we were able to drop the fees since our fundraising last year was a huge success. Below is what we are asking that each athlete raise this year to cover their expenses this season.

**Returning High School Athlete.....\$225.00**

- Has full uniform from previous season
- Please note that if you outgrew your uniform or lost any pieces you will have to pay for a replacement.
- This also includes the upcoming 8<sup>th</sup> graders that ran last season.

**New High School Athlete.....\$325.00**

- New uniform will need to be purchased.

**All Middle School Athletes.....\$125.00**

- We are also asking that each family donate a case of water or Gatorade to be provided to the athletes at the meets. This is for the middle school athletes only.
- This amount is for the middle school athletes that are running just at the middle school. If you are pulled up to run for the high school meets we ask that you pay the high school rate.

This should cover all expenses for the season including all travel, uniforms, warm up shirts, banquet cost, ect.

We will have plenty of opportunity for the athletes to raise the money that is needed. We will be asking them to go out and get sponsorships and/or donations. We will also be doing a Boston Butt fundraiser in August, right before school starts.

We are very excited to be able to drop the fees. However, we cannot guarantee that this will be the same next year. This drop in fees is solely based on how successful the Invitational and Fundraising was this past year.
